**Summary of reasons  
for classification:**

The computer image file *vvgPicture\_064\_5* is classified as:  
Unrestricted.

The computer image file contains an image of a girl who appears to be in her early teenage years. The girl is dressed in a sleeveless top and pants. She stands in a shower cubicle, smiling widely at the camera, and directs the water at her breasts. Although the image can be given a sexual reading, the purpose and intended meaning of the image are unclear and different interpretations are possible. Therefore the image cannot reasonably be regarded as sexual in nature. The publication does not deal with any matters under s3(1) or s3(1)(A) of the Films, Videos and Publications Classification Act 1993, nor do s3A or s3B of that Act apply. The publication is therefore unrestricted.

An unrestricted classification places no limitation on the freedom of expression as set out in Section 14 of the New Zealand Bill of Rights Act 1990.
